We breed, train and campaign our setters in cover dog field trials where we seek to verify, for ourselves and for the public, our dogs' abilities in the acid test of hunting and handling grouse and woodcock against the world's best dogs who hunt in the woods.

[bda articles bird dogs afield](#)

And, the dog may repeat that same scenario all-day long. The all-time number one breed used for ruffed grouse is the English setter. It's been proven as a top performer since the 1800s. The English setter consistently wins more grouse field trials than any other breed. Most setters are big running dogs. Many grouse guides and trainers feel ...
